**INTERGOVERNMENTAL AGREEMENT**  
BETWEEN  
THE STATE OF ARIZONA  
AND  
THE CITY OF GLENDALE

THIS AGREEMENT is entered into 22 MARCH, 1993,  
pursuant to Arizona Revised Statutes, Sections 11-951 through  
11-954, as amended, between the STATE OF ARIZONA, acting by and  
through its DEPARTMENT OF TRANSPORTATION (the "State") and the  
CITY OF GLENDALE, acting, acting by and through its MAYOR and  
CITY COUNCIL (the "City").

I. RECITALS

1. The State is empowered by Arizona Revised Statutes  
Section 28-108 to enter into this agreement and has by  
resolution, a copy of which is attached hereto and made a part  
hereof, resolved to enter into this agreement and has delegated  
to the undersigned the authority to execute this agreement on  
behalf of the State.

2. The City is empowered by Arizona Revised Statutes  
Section 48-572 to enter into this agreement and has by  
resolution, a copy of which is attached hereto and made a part  
hereof, resolved to enter into this agreement and has  
authorized the undersigned to execute this agreement on behalf  
of the City.

3. Congress has authorized appropriations for, but not  
limited to, the construction of streets and primary, feeder and  
farm-to-market roads; the replacement of bridges; the  
elimination of roadside obstacles; and the application of  
pavement markings.

4. Such project within the boundary of the City has been  
selected by the City; the field survey of the project has been  
completed; and the plans, estimates and specifications have  
been prepared and, as required, submitted to the Federal  
Highway Administration ("FHWA") for its approval.

\* This includes a two percent (2%) surcharge per Local Government Engineer Memo of October 1991.

THEREFORE, in consideration of the mutual covenants expressed herein, it is agreed as follows:

## II. SCOPE OF WORK

1. The State shall submit a program containing the aforementioned project to FHWA with the recommendation that it be approved for construction.

a. If such project is approved for construction by FHWA and the funds are available for construction of the project, the State with the aid and consent of FHWA will authorize the City to proceed with the work and will enter into a Project Agreement with FHWA covering the work embraced in this agreement and will request the maximum federal funds available.

b. The State will furnish the City with a copy of the proposed Project Agreement to be entered into by the State and FHWA. Upon approval of the terms and conditions of the Project Agreement, the agreement shall be incorporated in and made a part of this agreement by reference and shall have the same force and effect as though fully written herein.

2. The City shall acquire, without cost to the State, the necessary right-of-way and hereby certifies that all necessary rights-of-way have been acquired.

3. The City shall remove from the proposed right-of-way all obstructions or unauthorized encroachments of whatever nature, either above or below the surface of the roadway, and hereby certifies that all obstructions and encroachments have been removed therefrom.

4. The City shall perform the work with its own forces in accordance with the approved plans and specifications and shall notify the State at the beginning and at the completion of the work.

5. The City shall not permit or allow any encroachments, except those authorized by permit, upon, or private use of, the right of way. In the event of any unauthorized encroachment or improper use, the City shall take all necessary steps to remove or prevent any such encroachment or use; failing in which the State shall have the right to proceed with the removal or prevention thereof, the cost of such removal or prevention to be borne by the City.

6. Upon completion of construction, the City shall provide for, at its own cost and as an annual item in its budget, proper maintenance, including, but not limited to, traffic signals, signs, islands, curbs and markings necessary for the purpose of regulating, warning and guiding traffic.

7. The City shall mark and sign school crossings and railway-highway grade crossings in accordance with the requirements of the current edition of the Manual on Uniform Traffic Control Devices for Streets and Highways.

8. By such regulation as it may by ordinance provide, the City shall regulate parking and not permit vehicles to be left on the street in any manner other than at and parallel with the curb and to restrict parking so as to prevent conflicts with moving traffic at intersections and at such other locations as necessary.

### III. MISCELLANEOUS PROVISIONS

1. The State assumes no financial obligation or liability under this agreement. The City assumes full responsibility for the design, plans, specifications, reports, the engineering in connection therewith and the construction of the improvements contemplated, cost over-runs and construction claims. It is understood and agreed that the State's participation is confined solely to securing federal aid; that any damages arising from carrying out, in any respect, the

terms of this agreement or any modification thereof, shall be solely the liability of the City and that the City hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever, which is caused by any activity, condition, or event arising out of the performance or nonperformance of any provisions of this agreement by the State, any of its departments, agencies, officers and employees, the City, any of its agents, officers and employees, or any of its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, expenses of litigation or attorneys' fees.

2. The cost of the construction and construction engineering work covered by this agreement is to be borne by FHWA and the City, each in the proportion prescribed or as fixed and determined by FHWA as stipulated in this agreement.

3. This agreement shall remain in force and effect until completion of the work herein embraced; provided, however, that any provisions in this agreement for maintenance shall be perpetual.

4. This agreement shall become effective upon filing with the Secretary of State.

5. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.

6. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.

7. In the event of any controversy which may arise out of this agreement, the parties hereto agree to abide by required arbitration as is set forth for public works contracts in Arizona Revised Statutes Section 12-1518.

8. All notices or demands upon any party to this agreement shall be in writing and shall be delivered in person or sent by mail addressed as follows:
